☐ Device History Record (DHR)	☐ Refurbisher warranty certificate
☐ Service / maintenance history	☐ Commercial invoice

5. ACCEPTANCE TERMS

- The Buyer confirms that the equipment listed above was jointly inspected and received in working condition as recorded in Section 3 (“sold as inspected”).
- Warranty: the equipment is covered exclusively by the manufacturer/refurbisher warranty stated in the handed-over warranty certificate. Warranty claims are made directly under that certificate; the Seller provides no separate after-sales service, installation or maintenance.
- Risk and ownership pass to the Buyer upon signature of this form and receipt of full payment.
- Any defect or missing item must be recorded in Section 3 before signing. Items not recorded at handover are deemed accepted.
- A pre-shipment function-test video of this unit was provided to and approved by the Buyer prior to shipping.

6. PAYMENT CONFIRMATION

Total price (EUR)	Deposit received (date / amount)	Balance received at handover
-------------------	----------------------------------	------------------------------

7. SIGNATURES

FOR THE SELLER	FOR THE BUYER — ACCEPTED
Name, signature, date	Name, position, signature, date

Attach at handover: photos of the unit and serial plate, and (recommended) a short video of the joint acceptance test. Prepared in two originals — one for each party. This form is a template and does not constitute legal advice; have it reviewed under applicable Nigerian law before first use.
